A break in routine

👁 3 ✓ 0 ★ 0

Chapter 1 by Tini W

It started as most things do, a day like any other, the same routine day in day out hoping for a change. Wake up pre-dawn, throw on a random assortment of clothing, collect the eggs from the chicken coupe, breakfast and then walk to school as the sun rises. School only kills 6 hours until I'm back at the farm looking after the animals again. Only 3 more months until the routine breaks and I can get out of here. Or so I thought...

Wake up, Random clothing, collect the eggs, breakfast and walk to school as the sun ris... "where is the sun rise" I say out loud.
